Member Advocacy

Health Advocates are standing by to support you with a wide range of healthcare and insurance-related issues.

- Talk to a nurse about managing diabetes
- Explain your benefits and clarify copays and deductibles
- Answer questions about your diagnosis and research treatment options
- Locate and make appointments with in-network doctors and specialists
- Arrange second opinions, including transferring medical records
- Research and resolve medical claims and billing issues

Work with a personal Wellness Coach to reach your health goals and complete your wellness incentives. Your Coach can:

- Schedule one-on-one coaching sessions at times that work for you
- Help you develop and follow a personal wellness plan
- Keep you motivated along your journey to better health
